Why Chocolate Covered Strawberries?

Your wedding day is all about detail. The moments, the atmosphere, and the little touches that make it truly yours.

Chocolate covered strawberries make a stunning alternative to traditional wedding favours and dessert. They're elegant yet fun, indulgent yet refined, and most importantly, they feel special.

My strawberries are still rare at Irish weddings, which means your guests won't have seen them everywhere before. I believe I'm one of the few, (if not only) wedding vendors supplying these exclusively to weddings.

They're not a passing trend, they're a statement piece that feels thoughtful & stylish.

How Can They Be Used On Your Wedding Day ?

Chocolate covered strawberries are incredibly versatile and can be styled in many ways, including:

- A welcome treat at your drink reception
- Wedding favours for each guest
- A wedding cake alternative
- A sweet addition to your cake or dessert display

They photograph beautifully and add an instant "wow" factor to your setup.

How Many Strawberries Should I Order?

You don't need to match your guest count exactly. From experience, I usually recommend booking slightly fewer strawberries than the total number of guests.

For example, for a wedding of *120 guests*, *80-100* strawberries is usually more than enough. Not everyone enjoys fruit, and strawberries are often served alongside canapés, or other desserts/nibbles.

Some couples choose a smaller quantity purely as a statement piece. For example, *50-80* strawberries regardless of the guest number, and once they're gone, they're gone.

Quantity And Quality

To ensure each strawberry is beautifully finished and prepared to the highest standard, I intentionally keep wedding orders to a carefully managed quantity.

Most couples choose between *80-120* strawberries, which creates a stunning display while maintaining freshness, detail, and quality.

Larger quantities may be accommodated on a case by case basis, depending on availability.

2026 Pricing

I offer simple, flexible pricing so you can choose exactly what suits your wedding day.

Plain chocolate dipped strawberries: **€2 each**
Decorated chocolate covered strawberries: **€2.50 each**

You're welcome to choose a mix of plain and decorated strawberries within your order. Highly detailed or bespoke decorative designs may be priced at €3 per strawberry. This will always be discussed and agreed in advance.

A small delivery and set-up fee applies depending on your venue and location and will be confirmed in advance.

A Signature Touch

As a finishing detail, three strawberries will feature acrylic initials of the couple i.e. C & N, adding a subtle, personalised element to your display.

This is included with every wedding order.

Dessert Table

If you're considering something more than chocolate covered strawberries, a styled dessert table is a beautiful way to elevate your celebration.

Thoughtfully curated with pretty, bite sized treats, dessert tables offer guests a little variety while remaining elegant and understated. Designed to complement your wedding aesthetic, they're visually stunning, unique, and always a talking point.

I understand how important it is to feel confident in every supplier you choose for your wedding day.
